

Hello Waterford Tricenturena Skating Club Parents

Well just 12 days until the Disney Extravaganza Carnival!

We hope your young skaters are getting excited... and we hope you are excited too!

As a reminder Carnival is April 2 and there are two shows at 1:00 PM and 6:00 PM!

Here are just a few reminders and helpful hints about the upcoming Carnival!

1. Tickets are still on sale Monday/ Wednesday and Thursday from 5:00 - 7:00 at the arena from Sandy McDonald. Tickets are \$10 each and kids 3 and under are free! There are limited tickets left for the afternoon show. Please purchase tickets a head of time as they may not be available at the door if SOLD OUT.
2. Volunteers are still needed for various jobs on April 2 at the Carnival. It takes many parent volunteers to make the Carnival work. Please sign up this week at the arena for a volunteer position - the volunteer boards are by tickets sales. Volunteers are needed for change rooms specifically! If you are able to set up for Carnival, please be at the arena on April 1 at 10:00am. Again, it takes many parent volunteers to make carnival a success and we look forward to your assistance.
3. Many parents have asked about changerooms and skaters watching the show and if parents will need tickets to both shows on Saturday. Your skaters are expected to be at both shows Saturday at 1:00 PM & 6:00 PM. Your skaters will not want to miss out on the fun! As a reminder entry to the arena on Saturday are only for skaters, volunteers or ticket holders. It is recommended that parents volunteer for one show and sit relax and enjoy the other show.
- 4.
5. There will be a skater drop off/ sign in & out in the lobby as parents will not be allowed in the changerooms on April 2 (with the exception of some of our youngest skaters whose parents may need to tie their skates or be with them as the experience is new and can be a bit overwhelming). There will be volunteers in each change room to assist skaters.
4. The show will have two finales - one for first half skaters and one for second half skaters. If your skater is in the first half, it is recommended that they be in the change room 15/30 minutes before the show begins and they should stay in the changeroom until intermission. There will be lots for the skaters to do in the change rooms like colouring and games. However, it is best to pack activities and snacks from home too. If your skater is not in the second half of the show, they can be picked up from skater drop off/sign in & out to sit with you and watch the second half or head home. Your skater is also welcome to continue the changeroom activities and skate in the second half finale as well. If your skater is only in the second half of the show, they are welcome to participate in the changeroom activities from beginning to end of the

carnival, or you may wish to drop them off at skater drop off/sign in & out at the BEGINNING of intermission. Again, all skaters can be picked up at the end of the Carnival at skater drop off/ sign in & out. It is important to us that your child is accounted for and safe at all times of the Carnival! Please see below for a Carnival order and listing to help you prepare.

4. Dress Rehearsal will start promptly at 5:30 PM on Friday April 1. Please have your skater at the arena and ready to go in their costume as appropriate. We will be running through the Carnival like it is the real show! There will be spotlights, flood lights, a backdrop and a fog machine - so please prepare your skater for the experience. It is going to be SO MUCH FUN! There will be no volunteers on Dress Rehearsal evening in the changerooms and there will be no skater drop off/ sign in & out, parents are expected to be accountable for their skaters on Dress Rehearsal. You will get an idea of what the changeroom experience will be like as there will be designated dressing rooms for your skaters. Dress rehearsal is a great chance for your skaters to watch the whole show too! We will be calling skaters to line up three numbers before their ice time!
